

## **Lean on Me**

**(T/B)** Sometimes in our lives  
We all have pain  
We all have sorrows  
But if we are wise  
We know that there's always tomorrow

**(All)** *Lean on me,  
When you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on*

**(S/A)** Please swallow your pride  
If I have things you need to borrow  
For no one can fill those of your needs  
That you won't let show

**(All)** So just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on

**(All)** *Lean on me,  
When you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on*

**(All)** So just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on

**(T/B)** If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me

**(All)** Call me (x 7)

Lean on, me!
