FOUR SEASONS IN ONE DAY (Crowded House)

VERSE 1:
Four seasons in one day
Lying in the depths of your imagination
Worlds above and worlds below
The sun shines on the black clouds hanging over the domain

BRIDGE:
Even when you're feeling warm
The temperature could drop away
Like four seasons in one day

VERSE 2:
Smiling as the shit comes down
You can tell a man from what he has to say
Everything gets turned around
And I will risk my neck again, again

BRIDGE:
You can take me where you will
Up the creek and through the mill
Like all the things you can't explain,
Four seasons in one day

CHORUS:
Blood dries up like rain, like rain
Fills my cup like four seasons in one day

VERSE 3:
[WAIT] …It doesn't pay to make predictions
Sleeping on an unmade bed
Finding out wherever there is comfort there is pain

BRIDGE:
Only one step away
Like four seasons in one day

CHORUS
