FALLING SLOWLY

VERSE:
I don't know you, but I want you
All the more for that
Words fall through me, and always fool me
And I can't react

And games that never amount to more than they're
Meant will play themselves out

CHORUS:
Take this sinking boat and point it home
We've still got time
Raise your hopeful voice, you have a choice
You'll make it now

VERSE:
Falling slowly, eyes that know me
And I can't go back
And moods that take me and erase me
And I'm painted black

Well, you have suffered enough and warred with
Yourself. It's time that you won

CHORUS
+ Falling slowly, sing your melody
I'll sing along
